Hatz Performance Tracking Digital Solutions
With Telematics, Dashboards, and Remote Diagnostics

Take Control Of Your Fleet Management In Real Time √
• *More efficient with the Hatz IoT Module + Suitable Contract*

Increase Uptime and Reliability √
• *Improve equipment service scheduling*
• *Mitigate unplanned equipment downtime*
• *Detect machinery misuse*

Boot Security and Control √
• *Prevent theft and 3rd party use*
• *Digitalize equipment with ease*

Maximize Productivity and Profitability √
• *Increase utilization*
• *Enable performance-based billing*

Remote Diagnostics

Part #	Description
85112200	Remote Diagnostics - Starter Pkg. (IoT Module + Remote Diagnostics License)
85112100	Remote Diagnostics - License Only (without IoT Module - e.g. Silent Pack & Pump Spec.)

Performance Tracking

Part #	Description
85105600	E1 - Performance Tracking - Starter Pkg. (IoT Module + Remote Diagnostics License + Advanced Partner 2 Yr. License)
85105700	H50 - Performance Tracking - Starter Pkg. (IoT Module + Remote Diagnostics License + Advanced Partner 2 Yr. License)
85106000	Performance Tracking - License Only (Advanced Partner 2 Yr. License - including Remote Diagnostics License)

The Power of Connected Equipment

- *Critical datapoints at your fingertips*
- *Engine status data*
- *Engine speed/ productivity data*
- *Operating hours*
- *Fuel consumption*
- *Equipment GPS location*

- *Maintenance schedules and preventative alerts*
- *Nearest service resource contact information*
- *Easy referenece maintenance kits*
- *Optimal equipment operation*
- *Targeted and strategically managed utilization*
- *Increased fleet profitability*
